STRUCTURE-LINE

Mehr Struktur für Möbel und Wände: Stimmige Farben und einzigartige Designs unserer STRUCTURE-LINE machen jede Oberfläche zum Hingucker und zaubern dreidimensionale Effekte. Ob Rattan-, Holz- oder Betonoptik oder wilde Wellenstruktur mit verspiegelter Oberfläche für besondere Licht- und Farbeffekte. Diese Designplatten bieten ein optisches und haptisches Erlebnis der besonderen Art.

More structure for furniture and walls: harmonious colours and unique designs of our STRUCTURE-LINE make every surface an eye-catcher and unleash three-dimensional effects. Whether rattan, wood or concrete look or wild wave structure with mirrored surface for special light and colour effects. These design panels provide a special kind of visual and haptic experience.
